

# Aurelius breaks ground on manufacturing plant with RM450m investment

Monday, May 13th, 2024 at [Business](#) | [News](#)

**AURELIUS** Technologies (ATech) Bhd's subsidiary, BCM Electronics Corporation Sdn Bhd, has commenced construction on its new integrated manufacturing plant, P5, in Northern Technocity, Kulim Hi-Tech Park.

The groundbreaking ceremony marks the beginning of the project aimed at introducing advanced manufacturing capabilities for automotive components & advanced IoT applications.

The facility, spanning 243,977 sq. ft., will be equipped with cutting-edge technology and clean room facilities.

ATech plans to invest approximately RM450 million over the next five years in the development of the new BCM hub, starting with P5, which is scheduled for completion by the end of 2024.

This initiative is expected to significantly contribute to the local economy and technological advancement in the region. — **THE**
